Follow the spectacular rows of orange torii (made famous in the movie *Memoirs of a Geisha*) that weave through the forest, leading you to the inner shrine. The former Imperial capital of Japan is now one of the nation's top cosmopolitan cities. At the same time, Kyoto's connection with its past is strong; you won't need to look far to see one of its 2,000 temples and shrines. Later, visit the Women's Association of

### Day 13: Friday, May 22, 2026 Kyoto

Today, visit the home of the first Shogun, Nijo Castle (UNESCO), and see intricate woodcarvings, wall paintings, and the Ninomaru Garden, designed by Kobori Enshu, a landscape architect and tea master. Next, learn about the ancient craft of stenciling during a hands-on lesson. This afternoon, spend some time relaxing or set out to explore Kyoto on your own. Fully immerse yourself in Japanese culture tonight during a special farewell dinner and maiko show. (B, D)

### Experience It! Maiko Performance in Kyoto

Step back in time when you witness an important aspect of Japan's culture during a Maiko Show in Kyoto. Literally meaning "dancing child," the maiko is an apprentice geisha, typically under 20 years old. They live in Okiya, under the supervision of seasoned geiko (or "geisha"). They are considered the successors of beauty throughout all of Japan, entertaining guests with traditional Japanese dances, shamisen plays, short songs called "kouta" and in Kyoto they master its unique dialect as well. These young performers work hard to preserve Japan's traditions and customs, creating a dream-like world that feels detached from the daily grind for visitors. This tradition is unique to Kyoto, though it showcases a fascinating history that is traced throughout all of Japan. Be a part of Japan's rich traditions, history and hospitality during this truly unforgettable experience.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveller. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travellers who require mobility assistance devices.

Travel with a maximum of 32 passengers on this tour.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

The day we visit Hiroshima from Kyoto will be your longest touring day with an early morning departure before 8:00 a.m. and an evening return to the hotel after 8:00 p.m.

Golden Week is a cluster of national holidays in Japan, including Showa Day (April 29th), Constitution Queen Victoria Day (May 3rd), Greenery Day (May 4th), and Children's Day (May 5th). During Golden Week, popular tourist destinations tend to be extremely crowded, and many businesses, including attractions and restaurants, operate on altered schedules. It's essential to anticipate traffic congestion and longer than usual wait times for any attractions and transportation. We reserve the right to modify the order of your inclusions during this period, without prior notice.

Bon Holiday (Obon) is a Buddhist holiday honouring the spirits of ancestors that occurs in mid-August. During the Bon holiday, many Japanese people travel to their hometowns to pay respects to their ancestors, resulting in increased traffic congestion and crowded public transportation. Some businesses may also close or operate with reduced hours during this time.

Some venues, such as temples and shrines, require guests to remove their shoes in order to enter. We recommend wearing footwear that is easily removed for sightseeing on these days.

\*The view of Mt. Fuji from the Hakone Ropeway is weather dependent.

Museum visits and shopping may be affected by the observance of religious or local holidays.

The days and order of sightseeing may change to best utilize your time on tour.

Single accommodations are limited and are available on a first come, first served basis. Single rate subject to change based on availability. Triple and child accommodations are not available.

This tour provides authentic dining experiences. Vegan, vegetarian, and even gluten-free diets are uncommon in Japan and not widely catered to. If you have any dietary restrictions, please notify us at time of booking so we can accommodate you as best as possible.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Flights arrive into Tokyo and depart from Osaka. Our air passengers will be departing from Kansai Airport or Itami Airport (depending upon your flight schedule). All

transfers will depart from the Kyoto hotel for either Kansai Airport or Itami Airport. Return flights should not be booked from Kansai Airport or Itami Airport prior to 9:00 a.m.
